

Every Client Starts with a Connection

Client Questionnaire:

1 How would you describe the service(s) I provide if you were explaining it to a friend?

So much more than a facial / glycolic peel, it really is an experience that leaves you feeling relaxed + excited to see the results to come.

2 What do you like most about the service(s) I provide?

- The environment the services take place in  
- The fact that you ask / check in with me during the services & explain what you're doing next.

3 How is it different from other people you've been to who offer the same service(s)?

These services are different b/c of the quality of products use (natural!) + the fact that you make me feel like you take your time + not rushing me out the door!

4 What value or results have you gotten from my service(s)?

My skin is glowing + clear from a deeper level!

5 Is there anything you would change?

No! 😊
